

Harvest time at the allotment!

With the wet summer we have had this year, we seem to have a bumper harvest in our school allotment. When we arrived back to school this week, we found our allotment bursting with exciting things including lots of giant weeds!

The year 6's were set the daunting task of clearing the allotment of weeds. Please look at the 'before' and 'after' pictures below to see what a fantastic job they did.

Before - a view from the gate

After - a view from the gate

Before - the salad bed

After - the salad bed

Before - the potato patch

After - the potato patch

Lots of runner beans

Loganberries which smelt delicious
