| 6 th | Y4 production. - Class 10 (pm) Class 9 (evening) |
| 8 th | Final day of term. Non uniform day. |

For those new to school-

Parent/teacher consultations – these are held in the Autumn & Spring terms. They provide the opportunity for discussions about how your child has settled in his/her new class. At the February meeting the focus is more about the individual child's progress. We allocate 15 minute appointments for Y6 parents who may wish to discuss end of Key Stage SATs.

Lists of available appointment times will be put in the small hall. Parents sign up against a convenient slot. The school office will confirm appointment times within seven days. We try to give advanced notice of these dates so that working parents can make the necessary arrangements.
