MILTON CE PRIMARY SCHOOL

Dear Parents/Carers

I hope you all had an enjoyable half term break. During this last half term of the school year the children should spend a lot of time out in the fresh air; please could you ensure that your child has a named sunhat and plenty of fresh water as it is easy for children to get dehydrated.

Swimming - Thanks to the caretaker Andrew Brown and Miss Garbolino-Riva, the school pool is looking very inviting; most children will hopefully have enjoyed their first dip this week. Each year school asks parents for contributions towards the cost of heating the pool during the swimming season. These contributions are voluntary and of course no child will be excluded from swimming should his/her parents choose not to contribute. The facility is a luxury and the upkeep of the pool is a considerable, but very worthwhile expense. Contributions of £3.50 per child (maximum of £7 per family) would be gratefully received. This is less than 50p a week. Thank you for your support. Cheques should be made payable to Milton CE Primary School.

Website Update - A new home learning tab has been added to the school website. This provides information about web links that could be used by families to support children's learning.

Congratulations to the children who took part in the triathlon on June 4th. Team A - Kate, Daniel, Toby and Luke came 3rd. Team B - Zac, George and Matthew came 6th. The event at Milton Country Park started with a swim in the lake followed by a lengthy run and a bike ride around the cycle circuit. We clearly have some very fit children!

Class Photographs / Proofs - The class photograph proofs have been sent home. If you would like a copy please send the payment with the proof by Thursday 16th June. Please note any orders after this date need to be returned directly to Van Cols and will incur a surcharge. **Please Note: You do not need to return the proof unless you are ordering the photograph**

Yours sincerely

New Parent Support Advisor

My name is Gianni Fella and I am the new PSA for Milton Primary school. As a PSA it is my job to help you with any worries you may have about your children's education, behaviour or attendance. I can also help parents find the right support by working together with families and other agencies. The idea of working with a PSA is to help build your confidence in dealing with parenting issues.

Also, the locality team are looking to set up some parenting courses at Milton Primary School in the very near future. These will give you the opportunity to learn some new parenting strategies and techniques in a friendly supportive atmosphere.

If you feel you could benefit from some support from a PSA or would like some more information then you can contact me on 07771 673556, or alternatively on the office number 01223 712468.

Woodwind Taster Sessions

On Thursday June 30th I will be running some woodwind taster sessions.

These are aimed at children in current year 3, 4 and 5 who are interested in learning the flute, clarinet, oboe, bassoon or saxophone. If you would like your child to have a taster session please fill in the slip below and return to the office by Friday June 24th. You will be informed on Monday 27th June when your child should attend. Further information about woodwind lessons will be given to your child at the taster session. **Mrs Ashman**
