For those new to school-

- Parent/teacher consultations for all classes – this will provide the opportunity for a discussion about how your child has settled into his/her new class. Lists of available appointment times are put in the small hall. Parents sign up against a convenient slot. The school office will confirm appointment times within seven days. We try to give advanced notice of these dates so that working parents can make the necessary arrangements.
- Parent assemblies – each class or year group holds an open assembly during the school year. Parents are warmly invited to attend these assemblies.
- Non uniform days – the last day of each term is always a non-uniform day for the children.
