

Budding Gardeners Competition

On Friday May 28th our head gardeners went to RHS Hyde Hall to take part in the Budding Gardeners competition.

Building supports for our beans and peas.

'Foodshare Mark' was made out of flowerpots. A tomato plant made great hair.

Everyone helped to choose the plants for our garden.

We painted stones to help decorate our pot.

It took two and a half hours to make our 'Growing to Give' garden.

Waiting for the judges to make a decision

Proudly showing our 'Site managers Special' award
